Day Pupils

Meal Fees

The College believes sitting down to a meal with friends (day pupils and boarders) and staff is an integral part of the school ethos and culture. We do not offer pupils the option to bring pack lunches.

- A mid-morning snack is provided along with a piece of fruit in the afternoon.
- Lunch is a three-course option of a main meal along with help yourself items of soup with home-made bread, a salad bar, fruit or fruit salad and dessert.
- Any special dietary requirements can be catered for.

The college charges all day students a flat annual fee for meals and snacks, with no remission for absence with the exception of the period post exams for Year 11 & 13. Please also note, that pupil premium qualification does not entitle you to free school meals.

Future years

Fees are reviewed annually and may be subject to change at the discretion of the Governing Board. Factors considered when setting fees include inflationary factors.

Extra-curricular activities

Extra-curricular activities run by College teachers from 2.15 to 3.15pm on a Monday and 4pm to 5pm Tuesday to Thursday are included.

Extra-curricular activities which incur an additional fee include music and drama tuition and some sport coaching. This will be communicated in advance of each term by the peripatetic teacher and will be invoiced and paid directly to these teachers/coaches and not through the College.
