UCAS Destinations 2024

Holyport students continue to gain admission to the best UK universities
(And our best Oxbridge year yet!)

The figures
81% of our students are going to the Russell Group or equivalent (this is a 10% increase on last year). **53%** are going to a top 20 university according to the 2024-2025 Complete University Guide rankings. And **nearly 90% (89%)** are going to a top 50 UK university. And those few who are not going to a top 50 UK university are often for very specialist subjects at the top university for that particular course.

Whilst these figures are impressive in themselves what's more impressive is the competitive and broad nature of the courses that our students get on to. These range from Medicine, Dentistry, Actuarial Science, Architecture, Economics, Engineering, Media and Communications, Musical Theatre, Politics and International Relations, Psychology, English Literature, Computer Science, Neuroscience amongst many others.

Oxbridge and Healthcare course success
Holyport have 5 students into Oxbridge - over 5% of our cohort. We also have a Medic and Dentist into Sheffield university to study these highly respected courses. Courses as follows are:

- Philosophy and Theology (Oxford)
- English (Oxford)
- Computer Science (Oxford)
- Veterinary Science (Cambridge)
- Human, Social, and Political Sciences (Cambridge)
- Medicine (Sheffield)
- Dentistry (Sheffield)

An academically rigorous curriculum leads to top outcomes
One of the things Holyport prides itself on is its academic sixth form with subjects that open doors to the top universities. Top universities recognise the fact that students are doing 'harder' A levels in comparison to many of our competitor sixth forms and hence if students do miss out on their offers by the odd grade these are likely to still be accepted. Students at Holyport who have achieved higher than they expected also have no qualms about 'bidding up' to better ranked universities and more highly prestigious courses.

If you would like to be a part of our amazing Sixth Form then do enquire with the sixth form admissions team:
<6thformadmissions@holyportcollege.org.uk>

The full breakdown of universities and courses can be found here:

University	Course	Entry Year
Artemis College, Bracknell	Musical Theatre (foundation)	2024
Aberystwyth University	Computer Science/Mathematics	2024
Arts University Bournemouth	Make-Up for Media and Performance	2024
