## Boarding fees for Service personnel

Continuity of Education Allowance (CEA) is paid to Service personnel, who meet certain criteria, to ensure their children receive continuous education. The CEA covers 90% of fees and parents/carers who receive it may also be entitled to receive Childcare Vouchers which can be used towards the remaining 10% of charges. Here is an example of how these allowances could affect charges for a boarder:

Eg Per term for a year 7 to 11 boarder:

Fees 2024-25	£5,790
Reduction due to CEA	£5,211
Parent contribution	£579
